Im Rahmen der LV Raumordnung, Heidi Pretterhofer

With disappearance of state socialism, quite unexpectedly, "western free world" also disappeared for many. While former socialism and former capitalism compete - which one will turn back the wheel of restoration in more powerful and stronger manner, "communist capitalism" of China, South America and India became the world's biggest producer of goods.

With excerpts from Zilniks films:

"Inventur" 1974

"Fortress Europe" 1989

"Kenedi Goes Back Home" 2003

"Kenedi, Lost and Found" 2005
